

Aims

The SRC aims to:

- * gather opinions, ideas and concerns from the student community.
- * provide opportunities for the student community to participate in school making decisions through discussion and action by the SRC.
- * model and reflect the school rules by being an example for the school community.
- * initiate improvements within our school to make it a quality learning environment.
- * encourage leadership qualities in our student community through modelling, commitment and service.
- * adhere to the Charter for SRCs.
