# Community Hub

WESTMEAD PUBLIC SCHOOL

I am Kimberley,  
the Community Hub leader at Westmead Public School. The Hub space  
may not be physically open but I am still available Monday - Wednesday 8:30 am  
till 3:30pm. I have a background in counselling and social work, so I can support families in  
many different ways.  
If you have any questions or want to know more about the Westmead community, services available  
around the community, various hub activities and how to connect with other school parents,  
feel free to contact me.

## What is the purpose of the Community Hub?

**Our Hub serves as gateway to connect Westmead Public Schools families with each other, with their school, and with other existing services within the community. We operate under the National Community Hubs Program, which is recognised as a leading model to engage and support migrant families and their young children.**

Programs

**We run a number of different programs  
through the Hub that benefit our WPS  
community**
